SUBJECT: DCI Secretarial Task Force Final Report

1. The DCI Secretarial Task Force Final Report went forward to PMCD on 15 January 1985. The basic thrust of the report supports Option 2 with Option 1 as an interim measure to ensure that some change be made. The report also made several recommendations to strengthen or change the PMCD Study's recommendations.

2. The secretaries with whom I spoke and I felt strongly about a serious change in the secretarial grade structure, additional changes in thinking, and instituting an oversight mechanism to ensure that the subject would not be dropped again (as history has shown.) The Task Force was persuaded to strengthen the Final Report.

3. If you wish to discuss this report at any time, I will be happy to do so. Please find attached a copy of the Final Report.

4. Thank you for your support on assigning me to the Task Force. I found the experience very valuable and rewarding. I hope I have represented and supported the secretaries accurately and fairly.
